

DAYCO® LIGHT-DUTY SERPENTINE BELT KITS

TOTAL SYSTEM RELIABILITY IN ONE PART NUMBER

Dayco light-duty serpentine belt kits have been designed for the most popular applications, offering coverage for millions of cars, trucks and light-duty fleet vehicles on the road today. Each OE-quality serpentine belt kit includes all application-specific components needed to conduct a front-end accessory drive (FEAD) system repair.

Changing all front-end components at the same time helps prevent comebacks, reduces noise issues and enhances overall system performance. And Dayco's line of kits is backed by a 5 year, 60,000 mile warranty for added confidence.

FEATURES:

- An **OE-quality tensioner** designed for longer product life and overall quieter performance
- **Durable idler pulleys** with permanently lubricated bearings, extending belt life and reducing vibration
- A premium, **ultra-flexible serpentine belt** or **self-tensioning ela® belt** depending on application

BENEFITS:

- Enhances performance and extends service life
- Helps avoid potential comebacks by including all components necessary
- Designed to handle higher workloads and temperatures
- Saves up to 10% vs. buying standalone components
