Dayco® GPL® Premium Utility V-Belt

Designed for heavy duty use on lawn & garden, home, farm, shop or industrial applications

Dayco GPL Premium Utility V-Belts operate efficiently even when subjected to temperature extremes, high humidity, moisture, grit, oil and grease. Aramid fiber cord protects against shock loading and stabilizes belt length. The specifically engineered cover, which closely resembles OEM type belts, delivers optimum controlled clutching for maximum power transfer while the cover's distinctive black and white (salt and pepper) pattern allows for easy product identification.

The Dayco GPL Premium Utility Belt is recommended for heavy duty lawn and garden equipment... especially where superior load carrying capacity, extra heavy clutching and reverse bend characteristics are required.

Dayco® FHP Utility V-Belt

The Dayco FHP Utility V-Belt replaces the Dayco® Durapower® II Utility V-Belt

Designed for use on lawn & garden, home, farm or shop applications

Featuring a rubber impregnated wrapped fabric cover, high modulus polyester cord and specially formulated belt core, The Dayco FHP Utility Belt offers superior performance. Designed for use with fractional horsepower motors utilizing small diameter pulleys, this Dayco FHP Utility Belt delivers extreme flexibility and a smooth, quiet operation over a multitude of fractional horsepower drive applications. **Note: Not for use on clutching drives.**

The Dayco FHP Utility V-Belt's Raw Edge side-wall construction and lower cord placement makes it an ideal belt for all non-clutching, light duty, lower horsepower applications.

Dayco® Gold Label® Industrial V-Belt

The Dayco Gold Label Industrial V-Belt replaces the Dayco® Super Blue Ribbon® V-Belt

Designed for use in applications with higher horsepower and shock loads

Dayco is the industry leader in wrapped molded belts. This belt, constructed with a double fabric cover, handles the most demanding industrial applications ranging from 1 to 1,000 horsepower and up to 8,000 RPM. The double fabric cover offers extreme flexibility enabling it to run on the smaller pulleys. In addition, the construction of the cover fabric also provides excellent resistance to oil, heat and weather. The Dayco Gold Label Industrial V-Belt is the ideal choice for reliable performance on an extremely wide range of applications.

The Dayco Gold Label Industrial V-Belt delivers reliable performance over an extremely wide range of horsepower and RPM applications. It's double fabric cover provides the flexibility needed for running on small pulleys while providing resistance to oil, heat, weather and aggressive environmental conditions.

Dayco® Premium Industrial V-Belt

The Dayco Premium Industrial V-Belt replaces the Dayco® Gold Label® Cog-Belt®

Designed for applications requiring increased horsepower capacity and/or higher speeds

The Dayco Premium Industrial V-Belt’s unique construction, which combines the superior flexing of precision molded cogs with the tenacious gripping power of raw edge sidewalls, provides significantly longer belt life without jeopardizing increased horse-power capacity, and/or higher speeds on industrial type drives.

The Energy Saver! The Dayco Premium Industrial V-Belt is more energy-efficient because it is more flexible. This Dayco belt offers the highest horsepower rating for longer service while its Raw Edge design resists slippage even at low drive tensions.

Dayco® Double Angle V-Belt

Designed for serpentine and reversing drives

The Dayco Double Angle V-Belt transmits power from either side of the belt. Polyester cords and a durable cotton/ polyester cover delivers maximum strength and length stability while ensuring resistance to heat, ozone, grease, oil and dirt. Specially formulated core compounding provides for long life and high horsepower capabilities. This belt flexes equally well in either direction and provides natural wedging action on both sides for maximum power.

Dayco® Gold Label® VX-Wedge® Belt

Designed for applications requiring increased horsepower capacity and/or higher speeds

Dayco's Gold Label VX-Wedge Belt features a unique construction consisting of extremely flexible precision molded cogs, raw edge sidewalls for tenacious gripping power and high grade engineered polymer compounding for resistance to oil and heat. The Dayco Gold Label VX-Wedge Belt provides significantly longer belt life without jeopardizing increased horsepower capacity and / or higher speed drives.
